

COMMUNICATIONS JUSTICE

THE RIGHT TO SPEAK AND BE HEARD

Unless we act now, far too many children will be at risk of being forced to sell sex during one of our country's biggest sporting events this year.

As one of America's largest cities, to host the big game on February 5th, the city has already begun taking measures to ensure our children's safety is a priority. Stand with Houston and urge your city officials to take similar action in the fight to protect innocent youth.
