To Rev. Fran Lane-Lawrence, Interim Stated Clerk, Synod of the Covenant:

I have been directed by Coordinating Cabinet of the Presbytery of Detroit to make a report of disorder on behalf of the Cabinet. The Cabinet reports that there is disorder in the Presbytery of Detroit with respect to a personnel matter involving the Transitional General Presbyter and Associate Executive Presbyter, and has asked that I pass on the associated communications Cabinet has received to date, and request that the Synod appoint an administrative commission to inquire into and settle this matter under G-3.0109(b)(5). The draft minutes of the Cabinet meeting are also attached.

Very truly yours,
